A.M MILESTONE LLC

MILENSTONE LUBRICANTS

Products Catalogue

The Premium Choice For Peak Performance

WWW.MILENSTONE.COM

WHY CHOOSE MILENSTONE LUBRICANTS

Unparalleled Quality:
Our Lubricants are crafted using the finest base oils and advanced additives, providing superior protection against wear, friction, and thermal breakdown. Trust in our products to keep your engine running smoothly and efficiently.

Engine Performance:
With MILENSTONELUBRICANTS , experience enhanced engine performance and power. Our formulations optimize engine cleanliness, reduce deposits, and improve fuel economy, ensuring peak performance on every drive.

Extended Engine Life:
Our Lubricants are engineered to safeguard your engine against harmful contaminants and minimize wear. By reducing friction and maintaining proper lubrication, MILENSTONE LUBRICANTS motor oils contribute to the longevity of your engine.

Versatility:
Whether you own a car, SUV, motorcycle, or operate heavy-duty machinery, we have a diverse range of motor oil products to cater to your specific needs. Trust MILENSTONELUBRICANTS to provide the right oil for every application.

MILENSTONE
LUBRICANTS

GASOLINE ENGINE OIL

GASOLINE ENGINE OIL
SAE: 0W16 API SN

MILENSTONE 0W16 SN is a state-of-the-art full synthetic engine oil engineered to deliver superior fuel e ciency, outstanding wear protec-tion, and enhanced engine cleanliness. Specially developed to meet the latest API SN standards, it provides excellent protection against low-speed pre-ignition (LSPI), sludge formation, and timing chain wear. Ideal for modern gasoline engines with turbochargers and direct injection systems.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GASOLINE ENGINE OIL
SAE: 0W20 API SN

MILENSTONE 0W20 SN is a state-of-the-art full synthetic engine oil engineered to deliver superior fuel e ciency, outstanding wear protec-tion, and enhanced engine cleanliness. Specially developed to meet the latest API SN standards, it provides excellent protection against low-speed pre-ignition (LSPI), sludge formation, and timing chain wear. Ideal for modern gasoline engines with turbochargers and direct injection systems.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GASOLINE ENGINE OIL
SAE: 5W20 API SN

MILENSTONE 5W20 SN is a state-of-the-art full synthetic engine oil engineered to deliver superior fuel e ciency, outstanding wear protec-tion, and enhanced engine cleanliness. Specially developed to meet the latest API SN standards, it provides excellent protection against low-speed pre-ignition (LSPI), sludge formation, and timing chain wear. Ideal for modern gasoline engines with turbochargers and direct injection systems.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GASOLINE ENGINE OIL

SAE: 5W30 API SN

MILENSTONE 5W30 SN is a state-of-the-art full synthetic engine oil engineered to deliver superior fuel e ciency, outstanding wear protection, and enhanced engine cleanliness. Specially developed to meet the latest API SN standards, it provides excellent protection against low-speed pre-ignition (LSPI), sludge formation, and timing chain wear. Ideal for modern gasoline engines with turbochargers and direct injection systems.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GASOLINE ENGINE OIL

SAE: 5W40API SN

MILENSTONE 5W40 SN is a state-of-the-art full synthetic engine oil engineered to deliver superior fuel e ciency, outstanding wear protection, and enhanced engine cleanliness. Specially developed to meet the latest API SN standards, it provides excellent protection against low-speed pre-ignition (LSPI), sludge formation, and timing chain wear. Ideal for modern gasoline engines with turbochargers and direct injection systems.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GASOLINE ENGINE OIL

SAE: 10W30 API SN

MILENSTONE 10W30 SN is a state-of-the-art full synthetic engine oil engineered to deliver superior fuel e ciency, outstanding wear protection, and enhanced engine cleanliness. Specially developed to meet the latest API SN standards, it provides excellent protection against low-speed pre-ignition (LSPI), sludge formation, and timing chain wear. Ideal for modern gasoline engines with turbochargers and direct injection systems.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GASOLINE ENGINE OIL

SAE: 10W40 API SN

MILENSTONE 10W40 SN is an ultra-high-performance, engine oil formu- lated to deliver exceptional fuel e ciency and superior engine protec- tion. Specially designed for modern gasoline engines, it offers outstand- ing lubrication even in extreme climatic conditions. Its advanced additive technology ensures excellent thermal stability, oxidation resistance, and superior sludge control, keeping engines cleaner and running smoother for longer.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GASOLINE ENGINE OIL

SAE: 20W50 API SL

MILENSTONE 20W50 SL is a high-performance engine oil specially formu- lated for older gasoline engines and vehicles operating under tough driving conditions. Its robust mineral base and forti ed additive system ensure excellent engine cleanliness, wear protection, and oil lm stabili- ty. Ideal for high-temperature climates and heavy-duty use, it offers dependable lubrication, reduced oil consumption, and enhanced protec- tion against sludge and deposits.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

MILENSTONE LUBRICANTS

DIESEL ENGINE OIL

SAE: 15W40 API CK-4

MILENSTONE15W40 CK-4 is a premium-quality diesel engine oil engineered for high-performanceandheavy-duty diesel engines, including turbocharged and high-load applications. Formulatedwith advanced base oils and a robust additive package, it delivers superior protectionagainst wear, soot, and deposits. Designed to perform under high temperatures andextendeddrain intervals, it ensures cleaner engines, reduced maintenance costs, and consistentperformance across a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CK-4

MILENSTONE 15W40 CK-4 is a premium-quality diesel engine oil engineered for high-performance and heavy-duty diesel engines, including turbocharged and high-load applications. Formulated with advanced base oils and a robust additive package, it delivers superior protection against wear, soot, and deposits. Designed to perform under high temperatures and extended drain intervals, it ensures cleaner engines, reduced maintenance costs, and consistent performance across a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CK-4

MILENSTONE 15W40 CK-4 is a premium-quality diesel engine oil engineered for high-performance and heavy-duty diesel engines, including turbocharged and high-load applications. Formulated with advanced base oils and a robust additive package, it delivers superior protection against wear, soot, and deposits. Designed to perform under high temperatures and extended drain intervals, it ensures cleaner engines, reduced maintenance costs, and consistent performance across a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CK-4

MILENSTONE 15W40 CK-4 is a premium-quality diesel engine oil engineered for high-performance and heavy-duty diesel engines, including turbocharged and high-load applications. Formulated with advanced base oils and a robust additive package, it delivers superior protection against wear, soot, and deposits. Designed to perform under high temperatures and extended drain intervals, it ensures cleaner engines, reduced maintenance costs, and consistent performance across a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CI-4

MILENSTONE 15W40 CI-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CI-4

MILENSTONE 15W40 CI-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CI-4

MILENSTONE 15W40 CI-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CI-4

MILENSTONE 15W40 CI-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CH-4

MILENSTONE 15W40 CH-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CH-4

MILENSTONE 15W40 CH-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CH-4

MILENSTONE 15W40 CH-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 15W40 API CH-4

MILENSTONE 15W40 CH-4 is a premium heavy-duty diesel engine oil engineered for superior protection in high-performance engines operating under extreme stress. Formulated with robust base oils and an advanced additive package, it delivers exceptional resistance against wear, oxidation, and sludge buildup. Its high-viscosity formulation ensures strong lm strength, providing extra protection for older, high-mileage, and turbocharged engines. Designed for demanding conditions, it helps maintain engine cleanliness, supports extend- ed oil drain intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 10W40 API CK-4

MILENSTONE 10W40 CK-4 is a high-performance, heavy-duty diesel engine oil specially formulated to meet the rigorous demands of both diesel and gasoline engines. Blended with advanced base stocks and a cutting-edge additive system, it provides outstanding protec- tion against engine wear, oxidation, and deposit formation. Ideal for high-load, turbocharged engines operating in extreme conditions, this oil ensures cleaner engine operation, extended oil drain intervals, and reliable performance across a wide temperature range.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 10W40 API CK-4

MILENSTONE 10W40 CK-4 is a high-performance, heavy-duty diesel engine oil specially formulated to meet the rigorous demands of both diesel and gasoline engines. Blended with advanced base stocks and a cutting-edge additive system, it provides outstanding protec- tion against engine wear, oxidation, and deposit formation. Ideal for high-load, turbocharged engines operating in extreme conditions, this oil ensures cleaner engine operation, extended oil drain intervals, and reliable performance across a wide temperature range.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 10W40 API CK-4

MILENSTONE 10W40 CK-4 is a high-performance, heavy-duty diesel engine oil specially formulated to meet the rigorous demands of both diesel and gasoline engines. Blended with advanced base stocks and a cutting-edge additive system, it provides outstanding protec- tion against engine wear, oxidation, and deposit formation. Ideal for high-load, turbocharged engines operating in extreme conditions, this oil ensures cleaner engine operation, extended oil drain intervals, and reliable performance across a wide temperature range.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 10W40 API CK-4

MILENSTONE 10W40 CK-4 is a high-performance, heavy-duty diesel engine oil specially formulated to meet the rigorous demands of both diesel and gasoline engines. Blended with advanced base stocks and a cutting-edge additive system, it provides outstanding protec- tion against engine wear, oxidation, and deposit formation. Ideal for high-load, turbocharged engines operating in extreme conditions, this oil ensures cleaner engine operation, extended oil drain intervals, and reliable performance across a wide temperature range.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 5W40 API CK-4

MILENSTONE 5W40 CK-4 is a premium-quality diesel engine oil engineered for high-perfor- mance and heavy-duty diesel engines, including turbocharged and high-load applications. Formulated with advanced base oils and a robust additive package, it delivers superior protection against wear, soot, and deposits. Designed to perform under high temperatures and extended drain intervals, it ensures cleaner engines, reduced maintenance costs, and consistent performance across a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

DIESEL ENGINE OIL

SAE: 5W40 API CK-4

MILENSTONE 5W40 CK-4 is a premium-quality diesel engine oil engineered for high-perfor- mance and heavy-duty diesel engines, including turbocharged and high-load applications. Formulated with advanced base oils and a robust additive package, it delivers superior protection against wear, soot, and deposits. Designed to perform under high temperatures and extended drain intervals, it ensures cleaner engines, reduced maintenance costs, and consistent performance across a wide range of operating conditions.

SAE: 5W40 API CK-4

MILENSTONE 5W40 CK-4 is a premium-quality diesel engine oil engineered for high-perfor- mance and heavy-duty diesel engines, including turbocharged and high-load applications. Formulated with advanced base oils and a robust additive package, it delivers superior protection against wear, soot, and deposits. Designed to perform under high temperatures and extended drain intervals, it ensures cleaner engines, reduced maintenance costs, and consistent performance across a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

MILENSTONE LUBRICANTS

PERFORMANCE LUBRICANTS

SMOOTH TRANSMISSION

AUTOMATIC TRANSMISSION FLUID

ATF DEXRON-VI

MILENSTONE ATF DEXRON VI is a high-performance fully synthetic automat- ic transmission uid formulated to meet the demanding requirements of modern automatic transmissions. Blended with premium base stocks and advanced friction modi ers, it ensures smooth shifting, enhanced oxidation stability, and excellent wear protection. Its superior thermal stability and anti-foam properties offer consistent performance under extreme operating conditions, extending transmission life and maintaining peak e ciency over extended service intervals.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

AUTOMATIC TRANSMISSION FLUID

ATF DEXRON-III

MILENSTONE ATF DEXRON III is a fully synthetic automatic transmission uid formulated with premium, severely hydro processed base stocks and additives that helps provide oxidation and thermal stability, friction control, load carrying ability, corrosion and wear protection. It helps protect against the formation of deposits, sludge, varnish, foam and provide outstanding durability.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

AUTOMATIC TRANSMISSION FLUID
ATFDEXRON-II

MILENSTONE ATF DEXRON II is a fully synthetic automatic transmis- sion uid formulated with premium, severely hydro processed base stocks and additives that helps provide oxidation and thermal stability, friction control, load carrying ability, corrosion and wear protection. It helps protect against the formation of deposits, sludge, varnish, foam and provide outstanding durability.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

AUTOMATIC TRANSMISSION FLUID
ATFTYPE-A

MILENSTONE ATF TYPE-A is a multi-purpose transmission uid, designed for use in automatic gearboxes, where GM Type A Su x A is quoted. Its special formula enables very smooth operation of torque converters and uid couplings of automatic transmissions is suitable for use in automatic transmissions of passenger cars and light duty trucks as well as in other power shift transmissions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

CONTINIOUSLYVARIABLE TRANSMISSION FLUID
CVT MULTI-VEHICLE

MILENSTONE CVT Fluid is an advanced transmission uid specially engineered for Continuously Variable Transmissions. Formulated with high-quality base oils and advanced friction modi ers, it ensures smooth, seamless power transfer while preventing belt and chain slippage. Its superior thermal and oxidation stability protects against wear, varnish, and deposits, ensuring long-lasting performance. Designed to deliver consistent shift quality, improved fuel e ciency, and enhanced protection under both high-load and stop-and-go driving conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

MILENSTONE LUBRICANTS

PERFORMANCE LUBRICANTS

GEAR OIL
SAE75W90API GL-5

MILENSTONE 75W90 GEAR OIL is a high-performance fully synthetic gear lubricant designed for use in a wide range of automotive applications, including passenger cars, SUVs, light trucks, and vehicles equipped with limited slip differentials. Formulated with high-quality base oils and advanced additives, it delivers outstanding protection against gear wear, oxidation, and thermal breakdown. Its excellent load-carrying capability and shear stability ensure smooth operation and extended gear life, even under severe driving condition

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
SAE85W140API GL-5

MILENSTONE 85W140 GEAR OIL is a high-performance gear lubricant designed for use in a wide range of automotive applications, including passenger cars, SUVs, light trucks, and vehicles equipped with limited slip differentials. Formulated with high-quality base oils and advanced additives, it delivers outstanding protection against gear wear, oxidation, and thermal breakdown. Its excellent load-carrying capability and shear stability ensure smooth operation and extended gear life, even under severe driving condition

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
SAE80W90API GL-5

MILENSTONE 80W-90 GEAR OIL is an extra high performance automotive gear lubricant specially developed for use in modern high-performance passenger cars, sports utility vehicles, vans and light-duty trucks with limited slip differentials. It is manufactured from premium quality base oils and advanced performance additives to provide exceptional protection against thermal degradation.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
SAE 140 API GL-4

MILENSTONE GEAR OIL 140 GL-4 is a heavy-duty gear lubricant speci cally formulated for manual transmissions, differentials, and nal drives requiring API GL-4 performance. Made with high-quality base oils and balanced additive technology, it ensures reliable protection against wear, rust, and oxidation. Its high viscosity provides a strong lubricating lm under extreme pressure, making it ideal for high-load, low-speed applications in commercial and off-road vehicles. Delivers smooth gear operation and long-lasting performance even in harsh operating environments.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
SAE 90 API GL-4

MILENSTONE GEAR OIL 90 GL-4 is a heavy-duty gear lubricant speci cally formulated for manual transmissions, differentials, and nal drives requiring API GL-4 performance. Made with high-quality base oils and balanced additive technology, it ensures reliable protection against wear, rust, and oxidation. Its high viscosity provides a strong lubricating lm under extreme pressure, making it ideal for high-load, low-speed applications in commercial and off-road vehicles. Delivers smooth gear operation and long-lasting performance even in harsh operating environments.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
ISO 320

MILESTONE ISO 320 GEAR OIL is a high-performance industrial gear lubricant specially developed for use in enclosed gear systems operating under heavy loads and severe conditions. It is suitable for industrial gearboxes, bearings, and circulation systems used in manufacturing plants, construction equipment, and heavy-duty machinery. It is manufac- tured from premium quality base oils and advanced performance additives to provide excellent protection against wear, rust, corrosion, and thermal degradation, ensuring long service life and reliable equipment performance.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
ISO220

MILESTONE ISO 220 GEAR OIL is a high-performance industrial gear lubricant specially developed for use in enclosed gear systems operating under heavy loads and severe conditions. It is suitable for industrial gearboxes, bearings, and circulation systems used in manufacturing plants, construction equipment, and heavy-duty machinery. It is manufac- tured from premium quality base oils and advanced performance additives to provide excellent protection against wear, rust, corrosion, and thermal degradation, ensuring long service life and reliable equipment performance.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
ISO150

MILESTONE ISO 150 GEAR OIL is a high-performance industrial gear lubricant specially developed for use in enclosed gear systems operating under heavy loads and severe conditions. It is suitable for industrial gearboxes, bearings, and circulation systems used in manufacturing plants, construction equipment, and heavy-duty machinery. It is manufac- tured from premium quality base oils and advanced performance additives to provide excellent protection against wear, rust, corrosion, and thermal degradation, ensuring long service life and reliable equipment performance.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
ISO320

MILESTONE ISO 320 GEAR OIL is a high-performance industrial gear lubricant specially developed for use in enclosed gear systems operating under heavy loads and severe conditions. It is suitable for industrial gearboxes, bearings, and circulation systems used in manufacturing plants, construction equipment, and heavy-duty machinery. It is manufac- tured from premium quality base oils and advanced performance additives to provide excellent protection against wear, rust, corrosion, and thermal degradation, ensuring long service life and reliable equipment performance.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
ISO 220

MILESTONE ISO 220 GEAR OIL is a high-performance industrial gear lubricant specially developed for use in enclosed gear systems operating under heavy loads and severe conditions. It is suitable for industrial gearboxes, bearings, and circulation systems used in manufacturing plants, construction equipment, and heavy-duty machinery. It is manufac- tured from premium quality base oils and advanced performance additives to provide excellent protection against wear, rust, corrosion, and thermal degradation, ensuring long service life and reliable equipment performance.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

GEAR OIL
ISO150

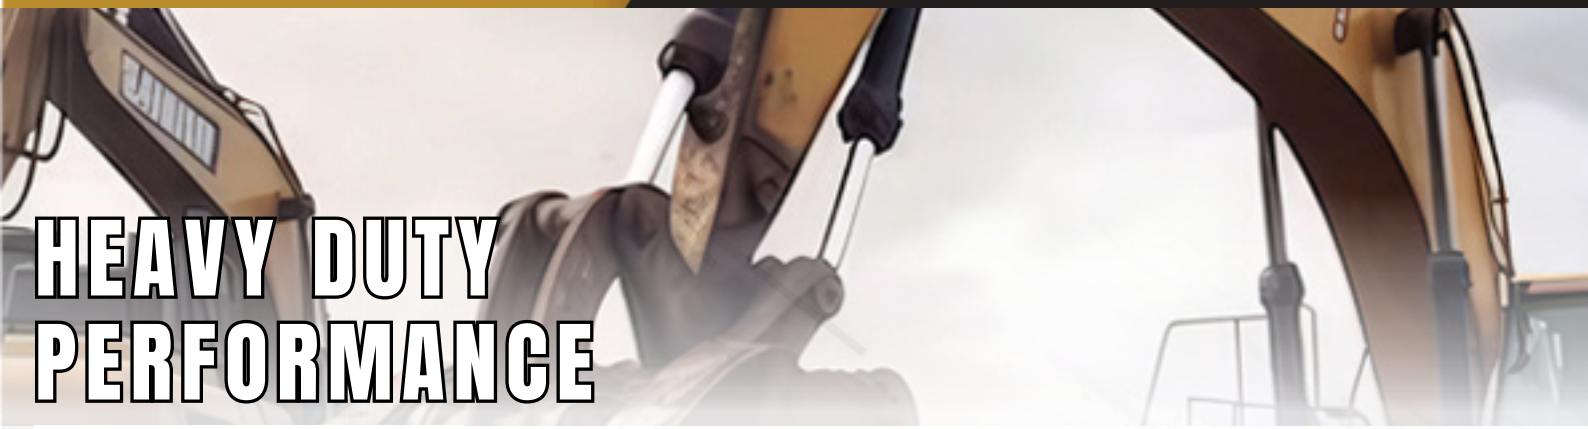
MILESTONE ISO 150 GEAR OIL is a high-performance industrial gear lubricant specially developed for use in enclosed gear systems operating under heavy loads and severe conditions. It is suitable for industrial gearboxes, bearings, and circulation systems used in manufacturing plants, construction equipment, and heavy-duty machinery. It is manufac- tured from premium quality base oils and advanced performance additives to provide excellent protection against wear, rust, corrosion, and thermal degradation, ensuring long service life and reliable equipment performance.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

MILENSTONE LUBRICANTS

PERFORMANCE LUBRICANTS



HEAVY DUTY PERFORMANCE

HYDRAULIC OIL
AW-68

MILENSTONE HYDRAULIC OIL AW-68 is a premium anti-wear hydraulic fluid specially formulated for light-duty hydraulic systems operating under low pressure and temperature conditions. It offers excellent protection against wear, rust, and oxidation, ensuring smooth and reliable performance. Its superior thermal and hydrolytic stability helps extend equipment life and reduce maintenance costs. Ideal for use in precision machinery, small hydraulic systems, and equipment requiring AW-68 grade oil.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

HYDRAULIC OIL
AW-46

MILENSTONE HYDRAULIC OIL AW-46 is a premium anti-wear hydraulic fluid specially formu-lated for light-duty hydraulic systems operating under low pressure and temperature conditions. It offers excellent protection against wear, rust, and oxidation, ensuring smooth and reliable performance. Its superior thermal and hydrolytic stability helps extend equipment life and reduce maintenance costs. Ideal for use in precision machinery, small hydraulic systems, and equipment requiring AW-46 grade oil.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

HYDRAULIC OIL
AW-32

MILENSTONE HYDRAULIC OIL AW-32 is a premium anti-wear hydraulic fluid specially formu-lated for light-duty hydraulic systems operating under low pressure and temperature conditions. It offers excellent protection against wear, rust, and oxidation, ensuring smooth and reliable performance. Its superior thermal and hydrolytic stability helps extend equipment life and reduce maintenance costs. Ideal for use in precision machinery, small hydraulic systems, and equipment requiring AW-32 grade oil.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

HYDRAULIC OIL
ISO 68

MILENSTONE HYDRAULIC OIL 68 is a high-quality anti-wear hydraulic uid designed to deliver reliable performance in a wide range of industrial and mobile hydraulic systems. Formulated with premium base oils and oxidation-resistant additives, it ensures excellent wear protection, thermal stability, and corrosion resistance. Its superior lterability and quick air release properties help maintain smooth and e cient system operation, reducing downtime and extending equipment life in both high- and low-pressure applications.ing performance even in harsh operating environments.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

HYDRAULIC OIL
ISO 46

MILENSTONE HYDRAULIC OIL 46 is a high-quality anti-wear hydraulic uid designed to deliver reliable performance in a wide range of industrial and mobile hydraulic systems. Formulated with premium base oils and oxidation-resistant additives, it ensures excellent wear protection, thermal stability, and corrosion resistance. Its superior lterability and quick air release properties help maintain smooth and e cient system operation, reducing downtime and extending equipment life in both high- and low-pressure applications.ing performance even in harsh operating environments.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

HYDRAULIC OIL
ISO32

MILENSTONE HYDRAULIC OIL 32 is a high-quality anti-wear hydraulic uid designed to deliver reliable performance in a wide range of industrial and mobile hydraulic systems. Formulated with premium base oils and oxidation-resistant additives, it ensures excellent wear protection, thermal stability, and corrosion resistance. Its superior lterability and quick air release properties help maintain smooth and e cient system operation, reducing downtime and extending equipment life in both high- and low-pressure applications.ing performance even in harsh operating environments.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

ANTIFREEZE COOLANT RED

PREMIX 50/50

MILENSTONE ANTIFREEZE COOLANT PREMIX 50/50 is a high-quality, ready-to-use engine coolant specially formulated to provide year-round cooling system protection in passenger cars, commercial vehicles, and heavy-duty equipment. It is pre-diluted with demineralized water and manufactured using premium base glycols and advanced corrosion inhibitor technology to deliver excellent protection against overheating, freezing, rust, and scale formation. The formulation helps maintain optimal engine operating temperatures, extends radiator and water pump life, and ensures depend- able performance under a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

ANTIFREEZE COOLANT GREEN

PREMIX 50/50

MILENSTONE ANTIFREEZE COOLANT PREMIX 50/50 is a high-quality, ready-to-use engine coolant specially formulated to provide year-round cooling system protection in passenger cars, commercial vehicles, and heavy-duty equipment. It is pre-diluted with demineralized water and manufactured using premium base glycols and advanced corrosion inhibitor technology to deliver excellent protection against overheating, freezing, rust, and scale formation. The formulation helps maintain optimal engine operating temperatures, extends radiator and water pump life, and ensures depend- able performance under a wide range of operating conditions.

AVAILABLE PACKS

1L - 4L - 5L - 18L - 20L - 200L

MILENSTONE LUBRICANTS

PERFORMANCE LUBRICANTS

SMOOTH BRAKING

BRAKE FLUID
DOT-4

MILENSTONE BRAKE FLUID DOT 4 is a high-quality brake uid formulated to meet the perfor- mance requirements of DOT 4 speci cations. It provides reliable and consistent braking performance across a wide range of temperatures, offering excellent protection against vapor lock, corrosion, and brake system wear. Suitable for use in disc, drum, and ABS brake systems of passenger cars and light commercial vehicles, it ensures safe and responsive braking under both normal and demanding driving conditions.

AVAILABLE PACKS

1L - 250 ML- 500 ML

BRAKE FLUID
DOT-3

MILENSTONE BRAKE FLUID DOT 3 is a high-quality brake uid formulated to meet the perfor- mance requirements of DOT 3 speci cations. It provides reliable and consistent braking performance across a wide range of temperatures, offering excellent protection against vapor lock, corrosion, and brake system wear. Suitable for use in disc, drum, and ABS brake systems of passenger cars and light commercial vehicles, it ensures safe and responsive braking under both normal and demanding driving conditions.

AVAILABLE PACKS

1L - 250 ML- 500 ML

MILENSTONE LUBRICANTS

PERFORMANCE LUBRICANTS

HEAVY DUTY GREASE
CALCIUM GREASE MP-3

MILENSTONE Multi-Purpose Calcium Grease MP3 is engineered with precision to meet the demands of various machinery and equipment, making it a versatile solution for your lubrication needs. Formulated with a calcium-based thickener, our grease boasts exceptional water resistance, providing a protective shield against corrosion. Its resilience to different temperatures and loads makes it the ideal choice for automotive, industrial, and household applications alike.

AVAILABLE PACKS

1KG - 5KG - 15KG - 180KG

HEAVY DUTY GREASE
CALCIUM GREASE MP-0

MILENSTONE Multi-Purpose Calcium Grease MP-0 is engineered with precision to meet the demands of various machinery and equipment, making it a versatile solution for your lubrication needs. Formulated with a calcium-based thickener, our grease boasts exceptional water resistance, providing a protective shield against corrosion. Its resilience to different temperatures and loads makes it the ideal choice for automotive, industrial, and household applications alike.

AVAILABLE PACKS

1KG - 5KG - 15KG - 180KG

HEAVY DUTY GREASE
LITHIUM GREASE MP-3

MILENSTONE Lithium Grease MP-3 is a high-performance, multi-purpose lubricant designed to deliver reliable protection and smooth operation across a wide range of mechanical applications. Formulated with a lithium-based thickener, it offers excellent thermal stability, mechanical shear resistance, and water repellency, making it suitable for use in automotive chassis, wheel bearings, industrial machinery, and general-purpose lubrication.

AVAILABLE PACKS

1KG - 5KG - 15KG - 200KG
